At the end of every class, your classroom should be left clean and orderly. Furniture (including folding chairs) should be put against the wall.

It is the student's responsibility to obtain and transport all props necessary for class work. You may not store props at the studio.

Trash, especially food trash, should **NEVER** be left in the classrooms. You may not bring any food or beverage into the classroom other than water. There is a refrigerator in the lounge area that you are welcome to use.

Each group will be assigned a class secretary. It will be the class secretary's responsibility to make sure the group leaves each room in the proper condition (more on class secretaries during orientation).

▼Parking:

NO STUDENTS may park in the lot under any circumstances. Please use street parking.

NIGHT (6pm-11pm)

The same rules apply for the AOA spaces. You **MAY NOT** park in the spaces marked MTI Film, or HOI under any circumstances. Again, street parking is an option.

If you are asked to move your car by the administration, or anyone from a neighboring business, you have to do it. No questions asked. Parking isn't an acceptable excuse for anyone's tardiness. No double parking EVER.

▼Smoking, Drugs, Alcohol & Weapons:

This is a non-smoking environment. **There is no smoking in the building or within 50 meters outside of the building!** This also includes vaping and e-cigarettes. You cannot smoke in your scene study classes. You can have an unlit cigarette in your hand, but you may not smoke.

Any student who uses drugs or alcohol on the premises will be **DISMISSED** from the program immediately. When playing a character that uses drugs or alcohol, you must use substances that either simulate drugs or alcohol or you can cut those props. If a student comes to class under the influences of any drug or alcohol they will be sent home immediately and put on probation.

The Art of Acting Studio prohibits carrying weapons within the building. All weapons that are used in scene work, in class or in productions, must be approved by the administration before use. Failure to do so can and may result in probation and/or dismissal.

Security:

Security cameras are located both inside and outside of the studio to keep a steady eye on all who enter the school; nevertheless, please be wary of your personal belongings as theft is possible in any location where such numbers are present. Unfortunately, we cannot be held responsible for lost or stolen personal items.

When leaving the building after dark, we strongly advise students to leave in pairs or groups, to minimize the security risk outside the building. Security guards are present every night at the end of classes.

Overview

The Cinema Library's Archives of Performing Arts contains the studio collections of MGM, Universal Studios, Twentieth Century-Fox, Hal Roach, Republic Pictures and Carolco Pictures, and, in an affiliated collection, the complete Warner Bros. Archives. Additionally the archive contains the papers and materials of some 300 individual practitioners of the art of the motion picture. Included are such varied materials as scripts, production records, memos and correspondence, stills, scrapbooks, pressbooks, sketches and drawings, music scores, editing notes and much more, reflecting the diversity of artistry in the fields of film and television. Over the years, members of the Hollywood community, such as directors Robert Wise and George Cukor; agent Stanley Musgrove; composers Dimitri Tiomkin, Alfred Newman, and Maurice Jarre; and actors Clark Gable, Edward G. Robinson and Burt Lancaster campaigned to enhance the library's collection of primary resource materials devoted to motion pictures and television. Thirty-six of these collections are described and searchable on the Search Collections Web site.

Special Collections Room

The Special Collections Room was established in 1985 after a fire which destroyed the old library building and its collections in 1982. The creation of this collection was the result of an outpouring of generosity both from the film and television industry and from citizens and supporters of the Hollywood community. They wanted to have available in a public library setting the kinds of materials that represent Hollywood in film, television, the performing arts and community history.

The Book Collection

Over 2,000 volumes supplement extensive holdings in the regular collections. Included are many out-of-print and signed or inscribed titles. Some are early or scarce such as Samuel Goldwyn's biography, *Behind the Screen*, published in 1923. Film yearbooks date from the 1920s and 30s and the collection contains a run of *The Standard*, an early Los Angeles casting directory which began in 1923. There is a small but significant collection of photo-play editions of novels from the silent era which contain photos from the films. Included are *The Squaw Man*, 1914, *Birth of a Nation*, 1915 and *The Sea-Hawk*, 1924, unpublished motion picture and television scripts

Student Tuition Recovery Fund Fees:

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd, Suite 225, Sacramento, California, 95834, (916)-574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Rules for Attendance & Participation

There are no opportunities to make up work; falling behind is detrimental to the actor and the entire class. Once a conservatory student misses 8 classes total, he/she will be put on probation. Probation is meant to serve as a warning. If he/she does not improve on attendance, and falls below a 90% attendance rating, the student will be dismissed (See Dismissal below).

There are no excused absences except for family bereavement or a major religious holiday.

Tardiness will not be tolerated. Classes begin on time; a faculty member reserves the right to refuse to let students enter the class if they are tardy. If a student is tardy to class more than 3 times, that will be considered an absence for that class.

Consistent participation in class is a minimum requirement. Students must do the work assigned to them in class, participate in classroom work, and rehearse according to assignment guidelines. If a student fails to participate in on a consistent basis, that student may be put on probation.

Leave of Absence

Students may be granted one leave of absence (LOA) per 12-month period only for a specific and acceptable reason. All LOA's must be in writing and addressed to the School Director. The School Director will approve or deny the request in writing.

If a student fails to return on the scheduled return date, he/she shall be terminated from the training program. One subsequent leave of absence may be granted if the leave of absence does not exceed 30 days and the school determines that it is necessary due to unforeseen circumstances.

Subsequent leaves of absence may be granted for jury duty, military reasons, or circumstances covered under the Family and Medical Leave Act of 1993. The school must document the reason for any leave of absence.

Dismissal

Students may be dismissed from any program of the Art of Acting Studio due to inappropriate behavior, absences, repeated tardiness, or, in the opinion of the faculty, nonparticipation. Please refer to the refund policy (below).

Probation and Suspension

A student may be put on probation for poor attendance, attitude, behavior, or in-classroom productivity. Probation is meant to serve as a warning. If the student does not improve on the issue or issues that have resulted in him/her being put on probation within two weeks, he/she will be dismissed.

The studio does not have a suspension policy. After probation, dismissal is the final step.

Students dismissed from the student may reapply; student's re-admittance will be subject to administrative review. Students who have been dismissed from the school have up to two semesters to apply for re-admittance. After this point, students must audition and apply again.

Refund and Cancellation Policy

The Student has the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance on the first day of class, or the seventh (7th) day after enrollment, whichever is

later. Students have a right to a full refund of all charges, less the \$250 registration fee, if the student cancels the enrollment agreement on the first day of class or on the seventh day after signing this agreement. The amount retained by the school will not exceed the \$250 (two hundred and fifty dollars) registration fee. Cancellation occurs when the student gives written notice of cancellation to the Director, at the address of the School, shown on this agreement. The Student can also mail, hand deliver, fax or telegram the cancellation.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with prepaid postage. Cancellation notices are to be addressed to: Art of Acting Studio, 1017 N. Orange Drive, Los Angeles, CA 90038

Withdrawal from Course:

The Student has the right to withdraw from School at any time during a period of attendance. The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. The pro rata refund pursuant to section 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal. All amounts paid by the student in excess of what is owed, are subject to refund excluding the non-refundable Registration Fee not to exceed \$250.00, the non-refundable STRF fee as identified in this enrollment agreement and in the refund policy outlined in the catalog. (this institution does not charge any other fees to students)..

Hypothetical Refund Example:

If a student withdraws from the program after instruction has begun the student will receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction. The date of withdrawal is the date of cancellation and is determined as the date the student notifies the school of the decision to cancel, or the last date of attendance, if the student fails to notify the school. The student will be charged for all hours attended. The refund calculation is as follows: the amount owed equals the daily charge for the program (total institutional charge, divided by the number of hours in the program), multiplied by the number of days the student attended, or was scheduled to attend, prior to withdrawing. For example, if the Student completes 50 hours of a 100-hour course, and paid \$2,000 for tuition-in-full, the student would receive a refund of \$1,000. All refunds will be issued within 45 days of withdrawal from the course.

Student										

The School will refund money collected from a third party on the student's behalf, such as Veteran's Benefits and/or WIA funds, if the school cancels or discontinues the course in which the student is enrolled, or if the student drops out. If any portion of the tuition was paid from the proceeds of a third party, the refund will be sent to the lender or agency that guaranteed the funds. Any remaining amount will first be used to repay any student financial aid programs from which the student received benefits, in proportion to the benefits received. Any remaining amount of money will be paid to the student. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student defaults on a federal or state loan, both the following may occur: (1) The federal or state

government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

Determination of the Withdrawal Date:

The student's withdrawal date is the last date of academic attendance as determined by the institution from its attendance records. The withdrawal date for a student who does not return from an approved leave of absence is set retroactively to the last date of attendance, as determined by the institution's attendance records.

Student Financial Obligation:

Violation of any of the conditions set forth in the signed Enrollment Agreement, including all financial obligations, may lead to dismissal from the school and/or probation.
